

In one of the most picturesque places of the Bulgarian Black Sea coast between the resorts of Albena and Golden Sands and only 20 km. from the sea capital Varna is located the village of Kranevo. The massive construction building on 4 floors with an elevator / former hotel "Geri" /, in which the social service is provided, is located on a quiet street. The premises are fully equipped and furnished. The restaurant has a kitchen and dining area. In the garden planted with flowers and trees, which is surrounded by a solid fence, there is a safe maintained pool. There are 3 parking lots provided.

Elderly Care Home "Geri" - Kranevo is a social service of residential type, which provides accommodation for elderly people. The accommodated persons receive round-the-clock individual care and support according to their needs and personal choice.

Our main goal is to ensure quality and effective social service, full physical and emotional development and social inclusion of each resident.

# ELDERLY CARE HOME **GERY**

**Kranevo • Bulgaria**

*To add not years to life,  
but life to years*

**We offer the following services that are tailored to the specific needs of each person.**

• A living room with private bathroom with hot water. The room is furnished with a bed, nightstand, wardrobe, table, chair, TV set, refrigerator, air conditioning, internet, terrace, seasonal heating.

• Food - breakfast, lunch / soup, main course and dessert / and dinner. Optional we also offer afternoon breakfast. The food is prepared by approved recipe book according to the age of the accommodated persons with possibility of personal choice and three variants of a weekly menu.

• The residents are provided with 24-hour care by a team of 17 people with experience in the field of social services / manager, social worker - master of social services, nurses, therapists, sanitarian, cooks, driver /. The staff has many years of experience in providing social services for elderly in the Republic of Bulgaria, England and Spain.

• We provide health care, treatment and rehabilitation - medical services, incl. assistance in taking medication, accompanying to a personal doctor or a specialist, assistance in hospitalization, assistance in applying tests, etc. All this is observed after informed consent by the user.

• Occupational therapy - is carried out through individual and group work according to the capabilities and desires of the accommodated persons. This gives way to social inclusion and therapeutic value. The road to social inclusion passes through charity bazaars, meetings with students and children from kindergartens.

• Music therapy - we sing, listen to our favorite music, relax.

• Culture therapy - treatment through art. We follow the cultural life in Balchik and Varna and visit theater productions, concerts, exhibitions and more.
